BALANCE TRANSFER FORM

Transferring Balances: Cascade Federal Credit Union does not charge a balance transfer fee. Please allow 2–3 weeks to process your balance transfer. Continue to make your payment on these accounts until the payment for the transferred amount appears on your other issuer's statement. Cascade Federal Credit Union is not responsible for late payments on your other issuer's account. We are not able to close your other accounts even if you transfer the entire balance. If you want to close the account, you will need to contact the issuer directly. Balances can be transferred up to your established limit.

Right to Decline: Under certain circumstances (for example, if your account is past due or overlimit, or if we reasonably believe you will be unable or unwilling to repay the balance, or as described in your Credit Card Agreement), we may decline to process your transaction.

Credit Card Agreement: For further details about terms or conditions on your account, please refer to your Credit Card Agreement.

Important Information About This Offer: Promotional balance transfers cannot be used to pay off another Cascade Federal Credit Union loan or line of credit. Transaction amounts used from this form will be applied to your established credit limit and will be charged 2.99% APR until your statement period beginning in December 2019. After that, you will be charged the standard APR for purchases as described in your loan documents or any subsequent change in terms. Transactions that post after the promotional date or if your account is in default may be charged the applicable non-promotional terms stated in your loan documents or any subsequent change in terms, or may be declined. Offer, rates, and fees subject to change. The APR on all other transactions and balances on your account will remain at the applicable rate in accordance with your Credit Card Agreement.

Fees: Late Payment 5% of payment, minimum of \$5.
